Year 3 Autumn Maths Block Assessments:

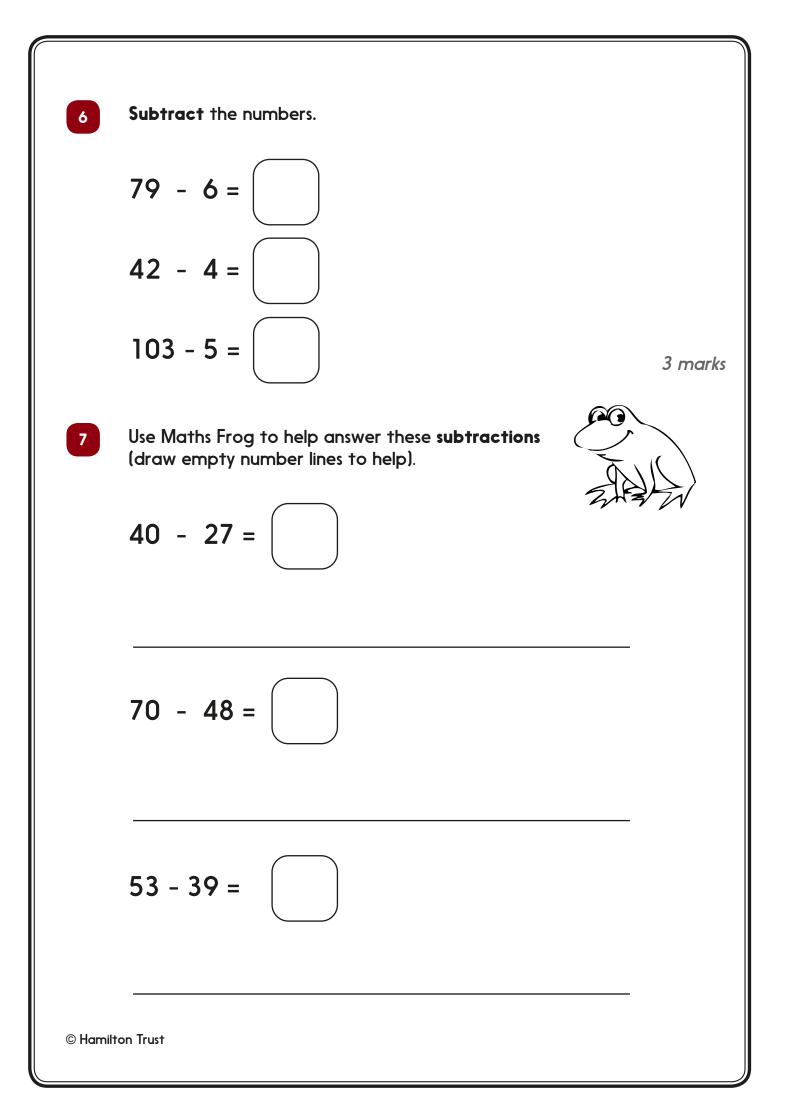

Addition and Subtraction (A)

	Before	After
Objective	$\odot \boxdot \otimes$	$\odot \boxdot \otimes$
I can recall addition and subtraction number facts to 20.		
l can add several numbers efficiently by spotting number facts.		
I can use number facts to add and subtract 1-digit numbers from 2-digit numbers.		
I can subtract by counting up (Frog) and do this to find change from $\pounds 1$.		
I can add 2-digt numbers by partitioning.		

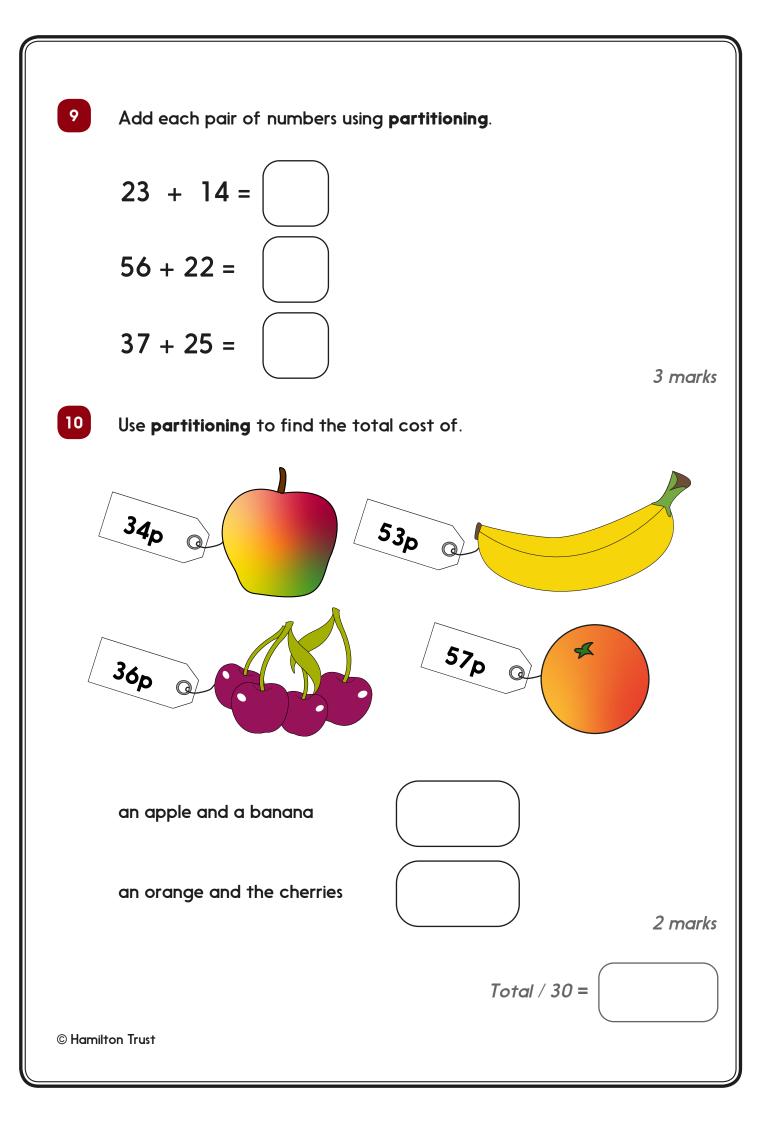

Assessments cover learning in each **Short Block**. Complete the assessment below after <u>all</u> learning in that block.
